Origami Owl is a custom jewelry company known for telling stories through its Living Lockets with the use of charms. In addition to our necklaces, we have watches, bracelets, rings, and so much more. I am here to help you design a high quality, personalized locket and charm set for yourself, or as one of a kind gifts for that special someone. You'll find brilliant Swarovski Crystals throughout our collections including: Living Lockets, Swarovski Crystal Charms including our Birthstones Collection, Stardust Packs and our custom-cut Swarovski Locket Figurines, Accent Crystals in Accessories.

There are several steps to designing the perfect piece. First, choosing several charms that reflect the story you want to tell. Maybe to represents parenthood, or maybe to cheer on that special team, or in support of someone who is a service member. The possibilities are nearly endless! Then comes choosing the type of locket and what ever other pieces needed for the locket chosen. In addition, there are accessories, such as customized plates, and dangles. Sound a bit overwhelming? This is where I come in! I can help, at no cost to you, with designing a piece! Answer some questions, and give me a budget to work with, and I can pull together options that will dazzle you! You can also go on line and pull together your own piece, reaching out to me only if you have questions. I am here to help however I can.

Cost varies depending upon the design chosen. Prices can be as little as \$69.00, or as high as \$200.00. But shipping is free to all orders over \$50.00.
